# HISTORY

In 1968, Athanasios Chris Karamesines set out to fulfill his dream of becoming a pizza restaurateur. Chris, the Greek part of Greek's Pizzeria®, was born in Chicago and developed a taste for good food at a young age. His father, who traveled to the United States of America in 1919 from a small village in Greece, foresaw the endless opportunities America had to offer.

The Karamesines family has been in the restaurant business since 1922 and no matter the name of each location, over the years the neighborhood customers commonly stated "let's just eat at 'the Greek's'."

Chris, who opened his first restaurant (diner-style) when he was only 14 – later became a self-taught professor of pizza, earning his home-baked degree by studying in the kitchens of top-

notch operations across the country.

As a pizza fan, he learned the ins and outs of the industry and opened his first pizzeria at 454 S. Greenwich St. in Valparaiso, IN at the age of 17. Unsure

of what to call it, his mother suggested the name "Greek's Pizzeria." Business was good and he never looked back. Chris was joined by his lovely, late wife, Cindy at 23 and together they continued to build and consult pizzerias throughout the world.

Over the years, Chris and Cindy built more than 135 pizza restaurants in Indiana, Hawaii, Florida, Pennsylvania, Kansas, Texas, Ohio and more. Along the way, Chris developed Pizza Forum® (*A forum for family and friends*®) which is typically a larger facility including a proprietary design enclosure with game rooms. Franchises are sold for both Greek's Pizzeria® & Pizza Forum®, allowing individuals to be in business for themselves but not by themselves, and have an opportunity to become entrepreneurs. Greek's Pizzeria® and Pizza Forum® are

a proprietorship, not a shareholder, partnership, corporation or publicly owned company.

As Greek's® continues to grow, the restaurants feature specialized pizzas, pastas, breadsticks, fresh French bread sandwiches or pizza shell wraps, salads and an assortment of beverages. Our fresh, homemade hand tossed dough, Italian sauce, select blended cheeses, with gourmet toppings and method of preparation since 1969 make our pizzas more flavorful and original than others (*It's our taste!*®).

Dedicated to quality menu items customers can taste, Chris believes eating should be a totally pleasurable experience.

In the mid 80's Casey Scott created this recipe for a cinnamon butter and after basting it on our fresh baked dough we fell in love with this combination. By setting the standards so high, we decided that this will be the only dessert in the Greek's® family. Enjoy!
